Meeting Minutes

1. Announcements and Review of Action Items

Rhea welcomed participants to the meeting and went over the action items from the previous week. This week the rulesets for the interviews will be finalized along with questions.

2. UofSC Update

The UofSC team is continuing to review the data reports and working to further develop dashboards and entity relationship diagram. The latest version of the dashboards and ER diagram can be found in the slides.

3. Fraunhofer Update

The Fraunhofer team is getting familiar with the data and will be preparing for interviews in the upcoming week.

4. Next steps

Fraunhofer team will start a draft on the rulesets and a meeting will be scheduled to finalize for Monday's meeting.
